

The Error of the American Government's Ways

Recently, a government shutdown has been implemented across the United States of America. This has happened after the shooting at the Navy Yard in Washington, D.C. The government shutdown includes all of the national parks and other government facilities. Because of the recent events occurring in Washington, D.C., people are wondering, "Why hasn't the government come to an agreement?" The shutdown has cost the country money because national parks attract tourism, and tourists buy souvenirs from these government parks and facilities.

The deterioration of the country has been occurring for decades. This deterioration really started to run its course in the 1960s. This same government that sings "God Bless America" had prayer and Bible taken out of schools. In 1963, a woman petitioned the Supreme Court to take prayer and Bible out of schools. What happened at that time, whether people were aware of it or not, was that the country was trying to remove God from their collective conscience. Basically, America isn't practicing what it preaches. Instead, they have succumbed to the institution of hypocrisy.

There is something that I do not understand. How can America claim to be a Christian nation when this country took prayer and Bible out of schools? The ironic thing is that this same country has the Presidents swear on a Bible when they take the oath of office. In a court of law, when people take the stand, they have to swear on the Bible to tell the truth, the whole truth, and nothing but the truth, so help them God.

This is the reason why this generation is ignorant of the Bible. If the government took prayer and Bible out of schools, and the parents are not teaching their children the Bible, then how are the children going to know anything about the Bible? The Bible says, "Train up a child in the way he should go: and when he is old, he will not depart from it." (Proverbs 22:6, KJV) There is no knowledge of God in these public schools. This is the very reason why the Sandy Hook school shooting happened and Trayvon Martin was killed. These children are not being taught about Jesus Christ and the Bible. Prayer and Bible need to be put back in schools. How many more children have to be killed before America wakes up and faces the truth? The Bible says in Hosea 4:6, "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

9/11 was an eye opener for America and the rest of the world. Almost 3,000 people died on this day, yet the real enemy was not the Muslims, as many people assume. There is an enemy that the governments of this world cannot see with their eyes. This enemy is called Satan, the Devil. He is the ruler of these worldly governments and this worldly system.

Ephesians 6:12 reads, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." America uses the Bible to justify the evil that is happening in the nation. America is falling apart because it is evident in the government shutdown and the recent Navy Yard shooting. God's Word, the Bible, never fails. Jesus Christ said in Luke 21:33, "Heaven and earth shall pass away: but my words shall not pass away." The Bible will not be denied. God's Word is real.

America needs to humble itself and return to Jesus Christ. There is a verse in the Bible that reads, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (2 Chronicles 7:14, KJV) However, if America does not humble itself before God and receive Jesus Christ as Lord and Savior, then America will have to pay a high price for that. The Bible says, "The wicked shall be turned into hell, and all the nations that forget God." (Psalm 9:17, KJV) Whether people want to believe it or not, they will go to hell if they do not accept Jesus Christ as Lord and Savior.

The truth is that salvation is not found in the government. Salvation is only found in Jesus Christ. God, I pray that you open up the eyes of America and its government to realize the error of their ways, and I pray that prayer and Bible be put back in schools all across the country. I pray that parents of children begin to teach their children about the Bible and Jesus Christ. I also pray that you touch the hearts of the people who read this letter to receive Jesus Christ into their lives. In the name of Jesus, I pray. Amen.
